Re: Finance Docket No. 35377, North Shore Railroad Company – Acquisition  
and Operation Exemption – PPL Susquehanna, LLC

Dear Ms. Brown:

On June 3, 2010, the Surface Transportation Board asked North Shore Railroad Company (“NSHR”) to file a copy of the Operating Easement over the PPL line and to provide additional information concerning the status of the PPL line in the above captioned proceeding. In order to coordinate the development of this information for the Board with PPL, Susquehanna, LLC, NSHR requested a thirty day extension from the Board to afford it sufficient time to research and review this information with PPL Susquehanna, LLC and the Board established a new filing date of July 23, 2010 in this proceeding.

Unfortunately, researching this information and coordinating with PPL Susquehanna, LLC is taking longer than initially anticipated. Accordingly, NSHR respectfully requests a further 30 day extension of the filing deadline established by the Board in order to develop and present this information.
